

ELA

Ready Gen

Big Idea: Learning about each other and the world.

Performance-Based Writing Assessment

The stories in this unit depict the traditions, family activities, and unique experiences of characters from different cultures. Children will select a family experience from I Love Saturdays y Domingos that reflects the unique background of the girl's grandparents.

Scholars will write a narrative sequencing the events of the birthday party.

MATH

Chapter 9

The students will identify, compare, and describe Two-Dimensional Shapes.

Vocabulary

Circle, rectangle, triangle, square, hexagon, alike, different, curve, sides, vertex, corner, vertices.

Highlighted Scholars

K-307- Joanna Sookwah

K-201 – Sora Petit

K-203 - Amelia Durjpal

K-213 – Michael Doobraj

Reminders to Students/Parents

Go on Raz-kids.com daily to read for fluency and comprehension. Follow these rules for Raz- Kids. First, listen to the story. Then, read the story. Finally, answer the comprehension questions.

Complete assignments on thinkcentral.com

Review sight words

Your child needs to begin writing independently. They need to begin their sentence with a capital letter, leave spaces between words, use correct letter formation, and punctuation.

The students should be reading on a level C as we approach March.

Family project due on March 16th.

Refer to the booklet that will be going home next week. There will be a cover letter for directions.

Upcoming Events

March 2nd – All science fair projects are due!

March 7th Daylight Savings Time

March 5th Parent Teacher afternoon and evening conferences. Half day for students.

11:30 dismissal. Science projects will be displayed in the gym on that day!

March 19th First day of Spring
