

## Welcome

We would like to open our March newsletter by thanking our Parent Association for their volunteer work with the Valentine's Day fundraiser.

As we move into March we will have our third parent teacher conference on March 5, 2020.

There will be two sessions:

Session one will be: 1:00 to 3:00 p.m.

Session two will be: 5:30 to 8:00 p.m.

Please take some time to complete the learning environment survey. Each family will receive their survey from their child's teacher during Parent Teacher Conferences.

## At home activities

Please make sure to support your child by supporting our Flip Classroom initiative. Flip classrooms are where your child can preview the next day's content online.

Studies show that students with prior knowledge are more confident and participate more in class.
