

ELA

ELA Themes

Unit 3 – Impact

Texts:

- Anatomy of a Volcanic Eruption
- Escape from Pompeii
- Erosion: How Land Forms, How It Changes
- “The Layering Effect” “Rocking It”

PBA – Informative/Explanatory Report

Students will read *Anatomy of a Volcanic Eruption* and *Erosion: How Land Forms, How It Changes*. Write an informative/explanatory news report to examine the effects of change to Earth’s surface.

For Parents:

Writing

As your child begins research on their topic and drafting their PBA. Please review the task that can be found in homework.

- Student should be writing information on their topic for 15 minutes every night in writing notebook.
- Look for updates in the homework on the next steps in writing.

Reading

* Review vocabulary packet nightly to be prepared for reading of text and quiz.

MATH

Math Themes
